

Year 11 into 12 Summer Holiday Work – Music

Please complete the following tasks and bring them with you to your first Music lesson at Chipping Sodbury.

1. Make a timeline of the development of Music from 1550 to the present day. You should refer to all the major movements in Music and also add important dates and composers / artists.
2. Research the development of Jazz from the 1920s to the present day.
3. Gather ideas for a composition – chords, melody and lyrics to use as ideas for your composition coursework
